**INTERVIEW SUMMARY**

Sir:

The undersigned participated in an Examiner-initiated interview with Examiner Homayounmehr on 15 June 2009 and again on 16 June 2009. The Examiner proposed amendments to the independent claims.

Applicant submitted a counterproposal on 16 June 2009 to the Examiner proposing further amendments to claims 31 and 34, with consequential amendments to claims 4 and 11, and cancellation of claims 7 and 14. Applicant indicated that he was not willing to give up scope by relinquishing the case in which  $n = 2$ , and there is only one exchange in the first set of exchanges.

///

We received an e-mail from the Examiner on 23 June 2009 indicating that the application was allowed and had been signed off by his supervisor. The Notice of Allowance was mailed on 25 June 2009.

Respectfully submitted,

Dated: 13 July 2009
